Joann Brooks, Project Accountant

Date Completed

Under Construction Until 2013

Delivery Method

Construction Management

Continuing their success at Fox Run Retirement Village, Erickson Retirement Communities selected JM Olson Corporation to provide construction management services of the Hickory Chase Retirement Community in Hillard Ohio. The community will feature 13 residential buildings each 4 to 5 stories in height, as well as two community buildings, one assisted living facility, a chapel, and maintenance building. Construction is set to begin during the summer of 2007 and estimated completion is scheduled for 2013.
