Cost

\$5,262,000

JM Olson provided general contracting services for the Coach Insignia Restaurant located in the Renaissance Center. Coach Insignia offers 220 seats on its 71st floor and with majestic water views. Also included on the 71st floor is a private banquet space for 120 guests with dramatic views of the Detroit skyline and beyond. A phenomenal burwood clad bar and several martini booths were built from floor to ceiling allowing for a romantic respite for cocktails. The 72nd floor has two private dining rooms for 8 and 14 people as well as a strolling circular walkway that allows customers to see the entire view the restaurant has to offer. Coach Insignia has two floating wine rooms on the 72nd floor and a principal cellar that acts as the centerpiece of the main restaurant.
