General Contract

JM Olson Corporation was contracted by the Kroger Co., which operates 2,530 in 32 states to construct a few of its new locations in Michigan. These new stores were designed and constructed with the consumer in mind and JM Olson was ready to meet and address the needs of their client.

Kroger at Universal Mall

Warren, Michigan

\$2,140,000, 71,000 SF retail store provides patrons with 56,000 SF of grocery departments and an additional 15,000 SF of miscellaneous retail space to maximize the shopping experience. The single story steel frame and masonry grocery store houses a full service meat and fresh seafood preparation department, a floral shop, a pharmacy, a bank, and deli. This store was completed on a fast tracked schedule of only five and a half months.

Kroger

Lincoln Park, Michigan

This retail store provides its patrons with a full shopping experience in a single location. Customers can select from a full grocery department with meat and fresh seafood preparation areas, cold and frozen food storage, in addition to the normal grocery selections.
